Tipp City to Celebrate its 175th Anniversary on July 4th Weekend

Tipp City, Ohio (March 24, 2015) – The City of Tipp City will be celebrating its 175 Anniversary in 2015. A 175th Planning Committee has been formed to organize and coordinate the celebration that will include a 4th of July celebration with live entertainment, food, vendors and kids activities at Tipp City Park.

“This is an exciting time for Tipp City, as we will be commemorating the 175th Anniversary of our wonderful city,” said Tipp City Mayor, Pat Hale. “The Planning Committee is working hard to put together a great event for the entire family. We are inviting the entire community to join in on the celebration.”

The 175th Planning Committee is currently working a Friday evening (July 3rd) event in the historical district that will include live entertainment and horse and buggy rides. Saturday, July 4th will include an afternoon parade highlighting Tipp City’s heritage and history followed by live entertainment, food and family activities down at the Tipp City Park. The activities and fun will continue through the evening and conclude with the Tipp City Fireworks display.

While the main event will take place around 4th of July weekend the planning committee is requesting the entire community to get involved. “We are encouraging the entire community to get involved with the celebration,” said City Councilmen Matt Owen who is serving as Chair of the 175th Planning Committee. “Throughout the year Tipp City has many events and activities and we are encouraging them to create their own celebration or activity within each of those events. The idea is to get the civic clubs, non-profits, businesses and our school system involved to make 175th a yearlong celebration for everyone.”

The 175th Planning Committee will be creating a Facebook page to market the event activities to the community.
